

NAVORINA NEEDS YOU!

In 1986 a group of dedicated local philanthropists led the push to establish Navorina Nursing Home. These visionaries saw that our community needed a place to tend to the welfare of our older residents in a modern and supportive environment.

35 years later the need for Navorina has grown requiring both expansion and upgrading of the facility.

In 2016 Navorina commenced a once-in-a-generation refurbishment and expansion of the facility to 60-bed capacity with a dedicated memory care (dementia) wing and improved facilities for residents and staff, including:

- All residents having their own room (no shared rooms)
- Majority of rooms with ensuite
- Improved communal areas
- Courtyards and small garden spaces
- Modernised kitchen, laundry and nursing facilities
- Dedicated activities spaces
- Small café
- Technology/multimedia hub, giving residents and families access to video calling.
- Refurbished administration area

With in excess of \$6 million invested in this building program to date the Navorina board is seeking your assistance to complete the final stage which includes refurbishment of the original facility. To do this the goal is to raise \$1 million as the community contribution.

Your donation will help provide the facility our elderly deserve.

**OUR GOAL IS TO RAISE \$1 MILLION DOLLARS
FROM THE COMMUNITY TO FINISH THIS PROJECT**

**It's a big goal but we know that with your help
